Charity Trustees

(Voluntary Role. Time commitment; approximately 50 hours per year, based in Cambridgeshire)

Centre 33 believes that every young person in Cambridgeshire can fulfil their potential. We support and empower young people to overcome their problems through a range of free and confidential services.

We are looking for a new member to expand our board of trustees. These are volunteers who give their time to work together in a governance role. To find out a bit more about what a charity trustee does, visit

We are looking for enthusiastic and motivated people who want to work with us to maintain and develop this valuable community resource. In particular, we are looking for a trustee with skills in Law and/or Human Resources and/or knowledge and expertise of the Peterborough area.

Prospective trustees are asked to write to Centre 33 explaining the reason they would like to join the board and the experience or skills they would offer, along with a CV. They will then be invited to an interview with the Executive Director and Chair of Trustees. Induction and training will be given.

Centre 33 strives to be an equal opportunities employer. This post is subject to a DBS check.
